DEALER DISPLAY PROGRAM

DISPLAY PROGRAM

Latitude is proud to partner with Deki Home in supplying its dealers with the most environmentally sustainable, high quality & innovate mirror products designed and manufactured in Europe (Ukraine).

The display program is now available with the top 5 products. Contact your representative if you are interested in other models.

WARRANTY

Experience peace of mind with our comprehensive warranty on all our products

5 YEAR WARRANTY
1 YEAR WARRANTY ON SMART MIRRORS

MIROX 3G GLASS

Mirrors all utilize MIROX 3G, a unique mirror product signifies a major leap in mirror technology. This third-generation mirror excels in quality, eco-friendliness, durability, and performance.

ULTRA THIN MIRROR

Our technologies allow us to give you the thinnest mirror with LED illumination of only 24 mm. Now there are no compromises — excellent design and "lightness" of construction
